PROFESSIONAL SUMMARY

Chartered Accountant (ICAI) and CPA Australia with 10+ years in finance, accounting, tax and audit across the UAE, Oman and India. Currently lead a 5-person finance team for a multi-entity group in Dubai, closing the books in 4 working days on Microsoft Dynamics 365 and owning IFRS financial statements, management reporting, budgeting, UAE VAT and the UAE Corporate Tax provision.

Earlier roles cover a diversified trading group in Oman (Oman VAT, treasury, multi-currency and intercompany accounting) and a listed chemicals manufacturer in India (SAP FICO, costing and listed-company reporting), built on statutory, internal and tax audit experience with CA firms. Certified in AI for Finance (2025) and use AI tools alongside Power Query, Power BI and VBA to cut manual work in reconciliations, reporting and analysis, so more of the close goes into review rather than data preparation.

CORE COMPETENCIES

- Financial Reporting: IFRS financial statements, month-end and year-end close, management reporting (MIS), IFRS 15, IFRS 16
- Planning & Analysis: budgeting, forecasting, budget vs actual and variance analysis, cash flow forecasting, working capital
- Tax: UAE VAT returns and reconciliations, UAE Corporate Tax provision, Oman VAT, transfer pricing and related-party transactions, e-invoicing
- Controls & Audit: internal controls, balance sheet reconciliations, statutory and internal audit coordination
- Operations: GL, AP, AR, treasury and banking, intercompany and multi-currency accounting, inventory costing, project accounting (WIP, cost-to-complete)
- Leadership: team management, reviewing team output, stakeholder management, process improvement
